¹ All data is based on SCDC Official Count. Comparison to last year's data is made utilizing the closest corresponding Director's Report of that year.

Other locations housing SCDC inmates include ICC inmates (housed in other States but serving South Carolina sentences), OJ inmates who are serving South Carolina sentences concurrently in other jurisdictions.

³ Operating Capacity for an institution represents the reasonable number of inmates that can be accommodated under normal circumstances, based on staff, programs, and services within the institution, and addressing relevant legal/professional standards. Thus, temporary or emergency beds (such as triple-cell beds) and out-of-service beds are excluded. Operating capacity includes several bedtypes:

a) "General Housing" - beds for inmates not designated/requiring "special" supervision and/or services;

b) "Special Management" - beds for inmates designated/requiring "special" supervision such as crisis intervention; deathrow; hospital; maximum custody; mental health; protective custody; pre-hearing detention; security detention; safekeeper; and temporary holding (transient); and

c) "Programs" - beds for inmates in specific locations for program participation such as assisted living; addictions treatment; Educational Finance Act eligible inmates; habilitation; handicap; Youthful Offender Act programs; reception/evaluation; shock incarceration; transitional care; HIV therapeutic; and sex offender treatment.
